

Take part in a high-tech, historic tour through Pembina and Walsh County, both located in the northeast corner of North Dakota. This corner of the state is home to the earliest settlers, fur traders, and native peoples of what would become Dakota Territory and, ultimately, the state of North Dakota.

Geocaches have been hidden in historical locations within each county. When you find a geocache, record the GC code, date, and the passport code from the actual geocache container. When you have found and recorded five geocaches in both or five in either county, turn in your passport to receive that county's commemorative pathtag, which you can register at [www.pathtags.com](http://www.pathtags.com). Passports must include your name and mailing address. To redeem your passport and claim a pathtag, the passport must be completed and mailed or emailed to:

Geocaching Project  
Red River Regional Council  
Chase Building, 516 Cooper Ave, Suite 101  
Grafton, ND 58237  
[cheryl@redriverrc.com](mailto:cheryl@redriverrc.com)

Passports may also be dropped off at the Pembina County Museum, the Pembina State Museum, or the Icelandic State Park, or at the Red River Regional Council during normal business hours.
